Santa could hardly go wrong stocking up at Whole Earth Provision Company. Whether your gift list includes children, travelers, homebodies, or outdoor adventurers, Whole Earth has something special for everyone. For kids there are Folkmanis nature puppets, imaginative educational toys, and fascinating story and activity books. Budding stargazers and naturalists will like the telescopes and binoculars. Friends intent on exploring Texas and the world will enjoy Whole Earth's guidebooks on everything from travel to Texas wildflowers. You can also outfit yourself here for hiking in the Hill Country, backpacking in Colorado, or climbing Kilimanjaro. Or go for the casual, comfortable, natural-fiber clothing suitable for travel or just lounging around. For yards and patios, choose from the largest selection of wind chimes in Texas. Whole Earth Provision Company even has great gifts for your dogs and cats. ■
